Subject : Telecommunication Journal : special issue on 4G.

Sir,

It has been decided, to publish special issue on 4G mobile technology during July-Aug 2011 issue. The topics are indicated below

1. 3GPP-LTE
 2. IEEE 802.2X
 3. Evolution from 3G to 4G
 4. Migration issues
 5. OFDM for 4G
 6. SDR implementation in 4G
 7. Network upgradation
 8. Planning for 4G
 9. Services and application areas
- Any other related topic.

The issue has been decided to publish by 15th August,2011. It is, therefore, requested to send articles of the special issue by **1st August'2011** alongwith photograph and brief Bio-data to mail address **Telecom..journal @ rediffmail.com.**

I shall request you to give wide circulation of this letter to all sections in your jurisdiction and make publication of this issue a grand success. For more information, kindly contact undersigned at 0761-2622192, Mobile No.9425803500, gcmanna @ gmail.com.

With regards,

Yours sincerely,

(Dr.G.C.MANNA)
