26.07.2022

Dear Shri Vaishnav Ji,

I am attaching herewith the representation received in person from the officers of All India Graduate Engineers & Telecom Officers Association, Central Headquarter, New Delhi wherein they have requested for intervention in settling the long pending **HR issues related with Pay, Pension & Promotion** specially for those who had been recruited by BSNL.

AIGETOA members are on protest since 25th July, 2022 onwards at all India and Mass Dharna at BSNL Corporate Office, New Delhi. Their demands seems to be genuine and BSNL has not taking any action since 2001 onwards on many issued. After post VRS all the load has been shared by these employees but their demands have been denied by the Management without any specific reasons one side and the other side BSNL has becoming operational profit since 2019 onwards.

I shall be highly grateful if you could kindly allot a suitable time slot to their association office bearers to address their grievances in person to resolve their issues at the earliest possible.

With warm regards,

Yours sincerely,

(Soyam Bapu Rao)

Shri Ashwini Vaishnav Ji,
Hon'ble Union Minister for IT & Communications and Railways,
Government of India,
Sanchar Bhawan, New Delhi
