**All Heads of the Telecom Circles,  
Bharat Sanchar Nigam Limited.**

**Sub: Induction training for TTA in respect of candidates  
selected in 40% LDCE quota---Instructions regarding.**

I am directed to say that several references are being received in this office from different Circles seeking clarification as to what criterion should be adopted for deputing selected candidates of 40% LDCE quota for induction training of TTA.

2. The case has been examined. It is hereby clarified that since officials of the different cadres and different pay scales have appeared in the LDCE for TTA under 40% quota, as such, **marks obtained in the competitive examination i.e. (LDCE) shall be the criterion for deputing selected candidates for TTA induction training.** However, after induction to the TTA cadre, as per standing instructions the seniority of the officials shall be based on post training marks.

This may be brought to the notice of all SSAs/Units of the Circle.
