Subject: Protest by SNEA (I) in Kerala Telecom Circle- planned motives of some vested interest which needs immediate and independent inquiry.

Respected Sir,

Your kind is well aware about the protest being held by SNEA (I) for about two months. One side CGM Kerala Telecom Circle is projecting as if this protest is merely to get favor in transfer and posting and other side Protesting association is projecting as if this protest is against the corrupt practice of CGM Kerala Telecom Circle. In either case BSNL has lost a lot owing to this protest which is ultimately affecting the benefits of other section of the employees in BSNL. As CGM Kerala had the option to end this protest at the initial stage by forming an independent committee to analyze the demands of the association in the light of the Policies/Guidelines of the company and even should have taken the intervention of BSNL CO or court of law if the said protest is really for the wrong cause. But he has preferred the path of victimization by deploying police force, serving show cause notice, dies-non etc to crush the democratic voice in BSNL. After such long protest when our beloved company has already lost a lot, CGM Kerala has started diluting his initial stand and is now trying to appease the protesting officers just by modifying the transfers and posting. Such action by CGM Kerala will definitely give a ray of doubt into minds of all that who is correct. Moreover SNEA (I) is one of the recognized executives association in BSNL and their allegation about corrupt practice of CGM Kerala in waiving off/reducing penalty of Rs 30 Crores imposed against Nortel, vender For GSM expansion cannot simply be ignored.

Now in this scenario, when the stand taken by administration is taking a fast U turn, we believe that simply these allegations cannot be ignored now. Therefore, I request your

goodself to kindly take note of this complete episode and constitute an independent enquiry and/or hand over to investigation agencies so that this protest simply shall not ends with getting some favor in transfer and posting else other section of employees who are really affected by the productivity of the company may start another protest to permanently stop the game played by the vested interests in BSNL.

Faithfully Your's
