Subject: Immediate payment of salary for the month of October-2020 and its further regularization-Reg.

Respected Sir,

We would like to draw your kind attention once again towards regularization of salary, which is attaining some improvement but still not getting disbursed on due date i.e. 1st of the following month.

The salary for month of October-2020 has not been disbursed so far. It is important to note that the Deepawali, one of the most important festivals of the country, is scheduled to be held in 2nd week of November. The festival has its own significance in the life of people and requires expenditure for various activities e.g. refurbishing of house, purchasing of different items etc. We have witnessed that the government has announced Bonus and LTC reimbursement for various Central Government Employees to encourage them to spend on the occasion and enjoy this festival of light fully. We too expect that our management will take all necessary recourse to ensure payment of salary for the month of October 2020 immediately, so that their employees can also celebrate Deepawali with full enthusiasm, especially considering their contribution in increasing revenue of the company under your esteemed leadership.

In the light of above, we once again request for immediate disbursement of salary for the month of October 2020 and arrange to regularize the Salary from next month effectively.

With warm regards,

Sd/-
