Subject: - Disparity in effective date of grant of higher rate of Transport allowance on time bound financial up-gradation of scale of executives from E2 to E3 scale-Reg.

Respected Sir,

I would like to draw your attention towards disparity in effective date of grant of higher rate of transport allowance on up-gradation of scale of Executives from E2 to E3 scale. Bihar chapter of AIGETOA has informed that the Executives in Bihar Circle who have opted for fixation of pay in the up-graded scale from E2 to E3 from the date of their next increment instead of the due date of IDA up gradation are being given the higher rate of transport Allowance of E3 scale from the DNI (opted date of fixation) instead of the due date of IDA up gradation. Representation of CP-AIGETOA, Bihar is also enclosed for ready reference. Similar information has also been received from some other circles.

2. It is understood that Pers. Branch has already clarified that all benefits of the up-graded scale as per Executive promotion policy shall be provided from due date of up-gradation irrespective of option exercised by the executive for fixation on DNI date. For all practical purposes, the executive is considered to be drawing the up-graded scale from the due date itself. Even, the residency for the next up-gradation is counted from the due date of last up-gradation.

3. In view of above, AIGETOA is requesting to issue the clarification to all field units that all facilities including transport allowance of the corresponding scale of Executives should be given on due date of scale up-gradation irrespective of the option exercised by the executive for pay fixation in the upgraded scale.

With warm regards,

(Ravi Shil Verma)
General Secretary
