

All Unions and Associations of BSNL

No: UA/2018/13

dated 08.05.2018.

To

Shri. Manoj Sinhajl,
Hon Minister of State for Communications,
Sanchar Bhavan, New Delhi.

Sub: Allotment of 4G spectrum to BSNL. Your kind intervention solicited for the clearance from Internal Finance of DoT and WPC wing reg:-

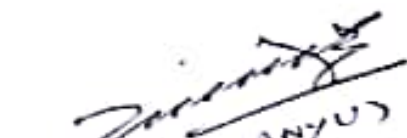

Respected Sir,

Kindly recall the discussions with your goodself on 24.02.2018 with the All Unions and Associations of BSNL. In the meeting you are kind enough to announce that BSNL will be allotted 4G spectrum for launching 4G services and assured that some positive decisions will be taken by March end.

However the Detailed project Report (DPR) submitted by BSNL is still under the consideration of DoT, even after two months. The proposal is getting abnormally delayed at various sections. We are afraid that other operators will use their influence to delay the allotment of 4G spectrum thereby stop BSNL from launching 4G services.

Your kind personal intervention solicited for the allotment of 4G spectrum to BSNL by suitably instructing the Internal Finance of DoT and WPC wing for clearing the BSNL proposal as assured to us in the meeting held on 24.02.2018.

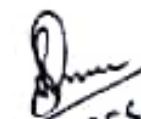

With kind regards,

(P. ARUNIMA)
