The General Secretary

**Subject:** Request to appeal all executives associations of BSNL to further intensify the agitation program.

**Reference:** No. SNEA (I)/CHQ/CMD/ 2012-14/47 dated 25.08.2014

*Dear Sir,*

At the outset, on behalf of this association convey our thanks for raising the genuine issues in respect of direct recruit's executives and other executives in general.

I would like to convey that this association has already gone for long Protest/Agitation during last one year on the issues raised by SNEA (I) vide notice under reference. However, this is a hard truth that in the current scenario especially when the referendum process is on, taking these issues to point of resolution is almost impossible without involving all the executive associations. As the referendum process of executives association is in place, authority will not be in position to award the credit to any particular association. Long pendency of the genuine issues in respect of executives are not only affecting their benefits but also badly affecting their moral and hence productivity of the company. I am also confident that all the executives associations in BSNL are very keen towards resolution of the genuine issues and I am very much sure that this is not only a political stunt to claim credit and attract the favor of the Direct Recruits in forth coming referendum. It is needless to mention that the issues raised by SNEA (I) vide above agitation notice is now in the list of main issues of every executives association in BSNL hence there is no reason that other association will abstain from taking part in struggle destined for resolution of the issues.

Further since the first phase of your agitation is already over and considering the above facts, I humbly request you to go for a joint struggle appealing all the executives associations formally under single umbrella of United Forum and go for a massive and intensified struggle with a firm commitment that we will not relent till these issues are resolved in totality.

Therefore, if agreed to above, we can appeal formally to all the executives associations together to further intensify the agitation program so that the issues pertaining to the executives of BSNL can be resolved on merit and in a time bound manner.

Anticipating a positive response

Faithfully Your's

S/d
