No. BSNL/31-4/SR/2013

Dated, the 31st May, 2013

To

**The General Secretary,
AIGETOA.**

Sub: Grant of facilities to AIGETOA at par with other associations - regarding

Sir,

This has reference to the demand of AIGETOA for extension of trade union facilities at par with other associations operational in BSNL. The issue has been discussed in various meetings and the facility of 'informal meeting with the management' has already been extended to AIGETOA vide this office letter no. BSNL/31-1/SR/2011(1) dated 30th December, 2011.

2. It may be noted that the associations operating in DOT under some name got merged together, on formation of BSNL, with a new nomenclature or adopted a new name as well as constitution, severing ties with DOT. It cannot be denied that these associations had their legacy in DOT and the members of these associations, who got absorbed in BSNL, mostly continued with the same associations, now having new names. In the absence of any rules and regulations governing conduct of membership verification in BSNL and with a view to continue providing some platform to the executives for redressal of their grievances, some facilities were extended to these associations.

3. The association is further informed that the process of finalization of rules and regulations governing conduct of membership verification in BSNL has been initiated and is expected to be finalized soon. This will facilitate grant of recognition to the majority association, and the process would address the issue of parity amongst various associations operational in BSNL.

Yours faithfully,
