Subject: Postponement of motivational training scheduled for LICE JTO Trainees w.e.f. 04.02.2023 to 07.02.2023- reg.

Respected Sir,

On dated 27.01.2023 a letter is issued by Training Cell BSNLCO regarding imparting Motivational Training "Customer/ Citizen Centricity Program" for LICE JTO Trainees for 3 days w.e.f. 04.02.2023 to 07.02.2023 just after completion of their JTO Phase-1 training.

Candidates at different training centres have come from far away places including the pre basic candidates who have come from all Circles to ALTTC Ghaziabad. All the candidates have made their return travel arrangements as per the earlier schedule in which Phase-1 training was supposed to end on 03.02.2023.

Now at this last moment of time this kind of intimation has resulted in panic amongst the candidates as it will not only result in financial loss to candidates in case they have to cancel their Flight/Train tickets but also it is unrealistic that they will get confirm tickets to travel for 08.02.2023 in such a short duration. Also this training will result in delaying the appointment date in JTO cadre, and completing the training mid week will simply mean that candidates of different Circles will join in their respective Circles on different dates, as joining on 08.02.2023 for field training is not practically possible for most of the candidates if this motivational training ends on 07.02.2023.

And the whole exercise done by management to start the training on same date to complete it on same date will not happen if candidates are not able to join for field training.

So it is kindly requested to get the training rescheduled for later and preferably in respective Circles for all candidates.

With warm regards,

Sd/-
