Subject: Comments of AIGETOA in respect of change of recognition period for MV.

Ref: BSNL/5-2/SR/2023 dated 23.08.2023

Respected Madam,

In reference to the Letter mentioned under reference, AIGETOA has asked for details of expenditure involved and how much expenditure is envisaged to be saved by BSNL through this change. However, the same was not provided. Hence in the absence of such information, it is difficult for association to submit the comments. Ideally management should have called all associations for discussions but it is quite apparent that management is just interested in communicating their decisions and such comments are apparently called only for name's sake and as a mere formality. Else serious discussion should have taken place.

However, still, we would like to submit one suggestion as stated below:

"If management is sincere in its approach on saving the expenditure of MV, its high time to consider **One PSU One Association** concept meaning that there should be a single association in the PSU and executives should not be allowed to be divided into groups. This will not only save the expenditure of BSNL but also a lot of expenditure will be saved by the respective associations too."

We request management to call the association for a constructive discussion and participative approach to decide the next course of action in this regard.

With Regards,

Ravi Shil Verma
General Secretary
