**Subject: Urgent Intervention Required in Disbursing Kit Allowances and Refreshment Allowances to various Sports Players participating in various tournaments – Regarding.**

Respected Sir,

We would like to express our heartfelt appreciation for your commendable efforts in reviving the sports events within Bharat Sanchar Nigam Limited (BSNL). Your commitment to promoting sportsmanship and teamwork among BSNL employees is truly commendable.

We are writing to bring to your attention a pressing issue that requires immediate intervention. Despite the revival of sports events, there is an alarming anomaly in the disbursement of Kit Allowances and Refreshment Allowances to players representing various Sports Board. We believe that timely and fair distribution of these allowances is essential to motivate and support our dedicated players who represent BSNL in various sports competitions.

It is disheartening to report that despite the exceptional performances of our players, they have not received their due Kit Allowances and Refreshment Allowances even after passage of long period post conclusion of these tournaments. As per established norms and regulations, these allowances are expected to be disbursed well in advance of the tournament commencement to support the players' preparations and ensure their comfort during the event.

We are deeply concerned that such conditions may be prevailing in many BSNL circles and for players participating in various sports events. This situation not only affects the morale of our athletes but also undermines the credibility of our commitment to promoting sports within BSNL.

We earnestly request your immediate intervention in this matter. Timely disbursement of Kit Allowances and Refreshment Allowances is not only a matter of policy but also a matter of fairness and respect for the dedication and hard work exhibited by our sportsmen and sportswomen.

**We hereby request for your kind intervention for directing the concerned authorities to seek the report from various circles and do the needful without any further delay. The players and athletes, deserve to receive their allowances promptly to ensure that their commitment to representing BSNL in sports competitions is duly rewarded.**

Your attention to this issue is greatly appreciated, and we look forward to a positive resolution that will enhance the overall sports culture within BSNL.

Thank you for your continued support and leadership.

With Warm Regards,

Ravi Shil Verma  
General Secretary
