Subject: Extension of facility of laptop reimbursement to the field units – Regarding.

Respected Sir,

This is in reference to the earlier discussions held in the meeting of Director (HR) and representatives of AIGETOA wherein we have been assured that the laptop reimbursement policy shall be replicated in the field units after assessing the effect of implementation of this policy at corporate level. A long time has passed since then but still the policy has not been implemented for executives posted at field units of BSNL.

Though we do agree that there has not been a very enthusiastic response to the laptop reimbursement policy from the executives posted at BSNL Corporate office, but still there have been many executives who have opted for this policy. The same may hold true for field units also where there will be many executives willing to avail the policy. Hence, the response of this policy at BSNL Corporate office should not be made a reason for denial for equitable opportunity for the executives posted in the field units. **Hence, we request for an immediate implementation of the laptop policy for the executives posted at field units also.**

Further, we have understand that a major show stopper for this implementation will be the entry of Desktops in asset register of the ERP system at field units. While in BSNL Corporate Office, this asset entry is 100 percent updated, it is yet to be fully updated in the field units. **Hence we request for directing the ERP nodal units for issuance of suitable directions to the field units for immediate updation of the Desktop Assets in ERP system, so that any delay in the implementation of policy on this account can be avoided.**

With Regards,

[Ravi Shil Verma]
General Secretary
