

AIGETOA Foundation Day Oath

We, the members of AIGETOA, on this 19th Foundation Day, solemnly pledge to uphold the unity and strength of our association.

We vow to:

Continue our fight against unjust pay losses caused by the lowering of pay scales, non-equitable fitment formula and ensuring fair compensation for all executives including grant of E1+5 increments as an interim measure for all executives at entry level.

We commit to continue our pursuit for ensuring standard pay scales of E2 for JTO/JAO Equivalent and 30 percent SAB for all BSNL Recruits.

Strive relentlessly for the implementation of 3rd PRC and to resolve pending issues related to pay, pension, and promotion.

Work together in solidarity to ensure timely promotions for all eligible, equitable benefits, and transparency in management policies.

Support the roll-out of indigenous 4G/5G and contribute to the vision of Aatmanirbhar Bharat while strengthening BSNL.

Confront all challenges collectively, ensuring that no member is left behind.

United in purpose and determined in action, we pledge to work for a brighter and more equitable future for every member of the AIGETOA family.
