Subject: Submission regarding incorrect representation of facts by BSNL Management and non-implementation of assurances given to BDM and Hon'ble MoC.

Respected Sir,

We acknowledge with thanks the receipt of your letter No. **60-200/2025-SU-IV dated 20.08.2025**, issued in response to our communication No. BMS/C-22/2025/291 dated 15.07.2025 regarding the intervention sought to safeguard BSNL's interests and address the legitimate concerns of its employees.

While we appreciate your attention to the matter, we wish to submit that the version presented by BSNL Management to your good office does not reflect the actual ground situation. The management has misrepresented several key facts pertaining to the issues raised by Bharatiya Doorsanchar Manch (BDM), a joint platform of BSNL unions and associations affiliated with BMS.

During the meeting of the BMS delegation comprising the General Secretary, All India Secretary, and representatives of AIGETOA and BTEU BSNL, we had an extensive discussion with **your good self on 17th July 2025** wherein clear assurances were extended on critical matters concerning the viability of BSNL and the long-pending HR issues. We are grateful for your patient hearing and positive assurances on the issues affecting BSNL's viability and the long-pending HR concerns of its executives and employees. Earlier BSNL Management had also given written assurances to BDM during the course of the orgnaisational action programs as evident from the minutes and appeals issued to the affilaites of BMS in BSNL i.e AIGETOA and BTEU BSNL.

In view of the written commitments made by BSNL Management and the subsequent meeting with your goodself, the BDM decided to **stop its organisational programs** as reflected in its letter **BDM/2025-26/18 dated 21.07.2025 (attached herewith for ready reference)**. The minutes and appeals issued by BSNL to the affilaites of Bharatiya Mazdoor Sangh are also attached herewith wherein the discussions and decision of management with respect to issues raised are categorically depicted.

Regrettably, even after four months of the assurances, **no tangible progress** has been made on any of the above points. Not a single issue has been conclusively acted upon by BSNL or DoT, and the tripartite meeting is yet to be convened. This lack of action despite repeated follow-ups is deeply disappointing and has created unrest and frustration among BSNL employees.

It appears that BSNL's submissions to your office were intended only to convey a sense of compliance, whereas the reality is that there has been **zero movement** on the commitments made both to the Hon'ble Minister and to the BDM platform in writing.

In view of the above, we humbly request your kind self to:

1. Re-examine the matter independently, based on factual records and written assurances made by BSNL from the month of May 2025 to July 2025.

2. Direct BSNL and DoT to immediately initiate implementation of the agreed points in a time-bound manner.

3. Convene the assured tripartite meeting at the earliest to ensure accountability and restoration of trust among employees.

4. Direct DoT and BSNL to expeditously resolve the crtical issues pertaing to the roll out of Swadeshi 4G network as submitted by our affilates to BSNL and DoT.

We once again place on record our gratitude for your personal involvement and appeal for your continued intervention to ensure that the commitments made in your presence are honored in full spirit.

With regards,

(Ravindra Himte)
General Secretary
