Update on the X (Twitter) Campaign on Implementation of 3rd PRC by Bharatiya Doorsanchar Manch (BDM) on 09.06.2026

The X-Campaign (Twitter) created a massive impact in favour of issue of 3rd PRC and waiver of affordability clause

Dear Friends thanks to one and all for making the Twitter Program successful on "Implementation of 3rd PRC in BSNL". Nearly 70,000 plus twitted held till evening and it is still going on. Whole day our Hashtags kept Trending in Twitter.

This twitter campaign resulted in immense impact. **It is learnt that PMO has already taken a note of the demand of 3rd PRC by BDM and has asked for the details from DoT. It is also understood that discussion has been initiated at DoT on the issue of waiver of affordability clause for implementation of 3rd PRC in BSNL. As informed earlier, a status note was shared earlier by BSNL for initiating the discussions.**

On our charter of demands, our team had a brief discussion with the Office of Hon'ble MoSC today, **wherein we had raised the issue of open mandate being given to the committee with no timelines being given for submission of recommendations**. **We had also raised that the Perks and Allowances including increase of Transport Allowance which were part of the earlier terms of reference has not been included in the mandate of the committee**. **We also apprised about the slow progress on the issue of promotions across various cadres.** A letter in this regard was also submitted. **Click here for the Letter**

Subsequently, in the HR Review meeting which was taken today with DoT and BSNL Management by Hon'ble Minister, **categorical directions have been given for submission of its recommendations in a time bound manner**. From the discussions, **it is very clear that residual issues of 2nd PRC (SAB, Standard Pay Scales etc.) are going to get resolved soon and expectedly with positive consideration. Directions have been given for extending the promotions also**.

The issue of 3rd PRC has got a big boost with today's campaign and we request all to keep the tempo on and remain active on X Platform and do the maximum tweets in support of the Demand for 3rd PRC.

A meeting of AIGETOA is scheduled to be held with Joint Secretary (Admin), DoT tomorrow on 10.06.2026 at 3.00 pm on pending HR issues, 3rd PRC and Internal Managerial Hierarchy, Promotions and Career Progression in BSNL.

Further, as usual, GS MA, has started hobnobbing with Management to nullify the impact and to derail our action programs which is creating a big impact in the minds of all.

It is understood that they are making all efforts to meet various levels in complete tune with management just to slow down the activities of BDM. You can expect some good updates from them in complete alignment with those who doesn't want issues of employees to be resolved and want confusion to prevail.

However, Bharatiya Doorsanchar Manch will keep itself focused on the issues concerning to all employees irrespective of any associations and Unions affiliation. All employees are well aware which platform is actually working for the welfare of employees and who all are working for name's sake just to feed upon the efforts of other. We are very sure that all will extend support to our future endeavors as stated in BDM notice for fulfillment of charter of demands.

With Regards
Team Bharatiya Doorsanchar Manch (BDM)
